Symbol	DMC Color	DMC Color Name
□	White	White
x	310	Black
o	318	Steel Gray Light
v	414	Steel Gray Dark
s	415	Pearl Gray
w	741	Tangerine Medium
c	742	Tangerine Light
e	762	Pearl Gray Very Light
a	3853	Autumn Gold Dark
Backstitch	301	Mahogany Medium

1. First complete all cross stitch, using 2 threads of floss. Empty squares in the eyes and stomach are stitched with White.
2. Backstitch the outside of the body (against the white fabric) using 2 strands of 310.
3. Backstitch the accent lines on the body using 2 strands of 414.
4. Backstitch the beak and feet using 1 strand of 301.
5. Backstitch the eyelids using 1 strand of 414.
6. Backstitch the interior outlines of the body (eyes and stomach) using 1 strand of 310.
7. Make french knots (•) on beak using 2 strands of 301.

The sample was stitched on 28 count white linen (2 over 2). The design stitch count measures 74 x 88. The finished design area measures $4\frac{3}{8}$" x $6\frac{3}{8}$".

Permission to use and/or modify this pattern is granted provided that you acknowledge Larry Ewing (`lewing@isc.tamu.edu`) for Tux and myself (`adriane@EmperorLinux.com`) for the pattern, if someone asks. Please e-mail suggestions, corrections, and comments to `adriane@EmperorLinux.com`.
